## PublishAmerica presents "The Butterfly Garden" by Mahwah resident Michelle Madden

*The Butterfly Garden* tells the story of Princess Gillian's garden. A garden that brings magic to life with the help of special butterflies. Readers will see how their magic helps grant the wishes of three lucky people. Learn how you also have the magic within yourself to bring happiness to others.

*The Butterfly Garden* inspires people to share random acts of kindness.

Michelle Madden, a Mahwah resident, is a wife and mother of two children who inspire her every day to follow her dreams. She always loved writing, beginning at an early age when she would write song lyrics and poetry. This creative outlet helped shape her into the person she is today.

The book is available in soft cover for \$19.95 at
