Ridgefield Park - Members of Ridgefield Park's Ambulance Corp. were honored at the Jan. 13 Board of Commissioners installation ceremony.

Ambulance Corp. Captain Linda Bently and the other volunteers recited the oath to assist residents.

In thanking the Board of Commissioners for their support, Bently, a third year volunteer recalled how 1997 was a year with 987 calls regarding injury or cardiac arrest.

"The Ambulance Corp. will look to the Board of Commissioners to lead the way into the next millennium," she said.

Other members of the Corp. include First Lieutenant Kevin Touch, Second Lieutenant Joseph Marzo and Mechanic Burt Wagner. Business officers honored were third year president Dolly Syrrus, secretary Lucille Nolan and treasurer Tom Farrell.

Additionally, members of the Ridgefield Park Rescue Squad were congratulated at the ceremony. President C. Robert Carlson, vice president Howard Henrick and secretary Ed Campbell were sworn in.
